Thanks. I signed the letters and Helga Milles is dating and scanning them. She'll email the scans and bring the originals to you for mailing.

Thank you very much for reviewing the documents.

I revised your signature block to reflect your new title and attached the electronic files.

If someone in your office could reprint the documents or the changed page, that would be greatly appreciated!

Margo, the letters look great. The only change needed is to the signature block because my title has changed. Please use Deputy Director for Enforcement (the delegations were changed to that title, so we need to be consistent). If you send the documents electronically, we can print them up here or have someone drop off the changed page. Thanks.
